

SPARK

GLOBAL PHILANTHROPIC FOUNDATION

AN EVENT
TO REMEMBER

THE SPARK 2017 GALA

MESSAGE
FROM
THE PRIME MINISTER

PRIME MINISTER • PREMIER MINISTRE

It is with great pleasure that I welcome you to the SPARK 2017 Gala hosted by the Spark Global Philanthropic Foundation.

Tonight's gala has been graciously put on to help raise funds to support children in orphanages in East Africa and to provide essential food and care services to thousands of children around the world. In addition, this year's gala will also begin supporting Syrian refugees fleeing oppression and war-torn areas.

As Canadians celebrate our 150th anniversary of Confederation, we celebrate that which makes Canada special. Among our strengths, we must recognize that our commitment to helping our neighbours — as so generously displayed here tonight — makes all Canadians better off. Your donations to the Spark Global Philanthropic Foundation will benefit our most vulnerable, a truly worthy initiative.

Thank you to the organizers of this amazing event and to all of you who are in attendance tonight to support this worthwhile cause.

Please accept my warmest welcome and best wishes for a memorable gala!

Sincerely,

The Rt. Hon. Justin Trudeau

MESSAGE
FROM
THE PREMIER

BRITISH
COLUMBIA

I am very pleased to welcome everyone here to the SPARK 2017 Gala at the Four Seasons Hotel in Vancouver — an impressive gathering of many of Canada's top philanthropists, business and community leaders, heads of academic institutions, Members of Parliament, and Senators.

SPARK is a global philanthropic foundation and it is doing incredibly impressive work to help empower and inspire youth by educating them about philanthropy, and encouraging them to better understand the importance of charity work.

It is great to know that the money raised this year will go to support over 4000 children in orphanages in East Africa, provide food, care and essential services to more than 6500 children worldwide, and support refugee families here in Canada.

I commend SPARK for their leadership in raising awareness about charity work and motivating youth to aspire to be proud, caring and inspiring citizens — all in the name of making our communities and our world better places for all.

Thank you to everyone for supporting this initiative and this important work. Involving youth is indeed significant and key to making a difference, and SPARK is leading the way.

Sincerely,

Christy Clark

Premier

SPARK
GLOBAL PHILANTHROPIC FOUNDATION

ABOUT US

The SPARK Global Philanthropic Foundation (SPARK) has been established to promote and teach strategic philanthropic practices that empower youth to understand and navigate charity.

We assemble groups of highly motivated students ranging from ages 13 to 23 who aspire to be future innovators and leaders in charitable organizations and educate them on the important and rewarding aspects of philanthropy and on socially responsible investing worldwide.

Participants complete a Stanford based course on philanthropy, accompanied by a series of seminars delivered by some of the country's leading philanthropists, including Frank Giustra, Pierre Lassonde, John Volken, Ian Telfer, President Clinton, and more.

Enormously beneficial to participants are leadership and public speaking seminars, dining etiquette courses, studies on the history of philanthropy, the top philanthropic foundations in the world, and how philanthropy is cultivated across different cultures.

Prior to graduation, students create their very own foundations and philanthropic portfolios. This is the single most important exercise that helps them realize their ongoing purpose. A portion of the proceeds from the gala are deposited into the foundations established by the students. Reflecting on all that they have learned in the course of the program, the students are then tasked to disseminate the funds. SPARK helps them curate, measure and manage their objectives for value and impact.

The SPARK program marks the beginning of each student's ability to purposefully and productively contribute to society. First, by making money, and secondly giving it away in a well thought out productive manner. Taking the long view, this program will no doubt change each participant's very outlook on life.

7:30pm	Entertainment – Jason Hewlett “The Promise”
8:00pm	Live Auction
9:00pm	Video Presentation
9:20pm	Graduation & Closing Remarks

SPARK 2017 BENEFICIARIES

Syrian Refugees

+66 Orphanages in Africa

THE **EXPONENTIAL** POWER OF SPARK

With regular charitable giving, your money goes directly to the selected charity achieving a one-time return. When you choose to invest in SPARK, the value of your donation is increased exponentially by:

1

INVESTING IN YOUTH

Our students are taught strategic philanthropic practices that empower them to understand and navigate charity — a foundational skill set they will use for the rest of their lives. Investing in youth is investing in our future.

2

INVESTING STRATEGICALLY

Funds donated through SPARK are invested in projects that promote education, entrepreneurship, and social technologies in order to develop income-generating activities that lead to independence and self-sustainability. In doing so, we impact generations.

3

MULTIPLYING THE VALUE OF YOUR SPARK DONATION

Donations are multiplied by matching donations of SPARK partners.

“Leverage is the mantra of the times in philanthropy, and rightly so. People want to know that the charities they support are using donations as effectively as possible.”

— Harvard Business Review

LIFT THE CHILDREN SUPPORT DIRECTORY - 2017

Lift The Children is dedicated to seeking out the world's most destitute children and helping provide them with the necessities, training, and inspiration they need to develop, grow, and become self-sufficient.

Lift works in some of the poorest slums in the world, providing aid DIRECTLY to over 66 orphanages and 5,000 children in Africa alone.

100% of all donations go directly to the orphanages.

Lift the Children has begun to implement long term self-sustainability programs with a goal of educating the poor out of poverty.

Self-Sustainability Through Education & Permaculture.

Its strategy is to reorient the agriculture and farming systems currently in use towards methods of food production that are highly productive, sustainable, and drought resistant. Over time, these programs will help to provide mass poverty reduction through education.

Our goal is to educate over 2 million people in permaculture over the next 5 years.

BUT WE NEED YOUR HELP!

PAMELA GOLDSMITH-JONES

BIOGRAPHY

Pamela Goldsmith-Jones is a long time resident and former mayor of West Vancouver. She was elected as Member of Parliament for West Vancouver-Sunshine Coast-Sea to Sky Country in 2015.

In 2011, Pamela retired from municipal politics to start her own consulting business and pursue an executive MBA from Simon Fraser University in Aboriginal Business and Leadership. She also holds a Bachelor of Arts and a Master's degree in Political Science from the University of British Columbia.

In Ottawa, Pamela works as both our MP and as Parliamentary Secretary to the Minister of International Trade. She has also served as Parliamentary Secretary to the Minister of Foreign Affairs. Her new role as International Trade Parliamentary Secretary has taken her to Vietnam, Singapore, Brunei and China to promote diversifying markets for Canadian goods and services. She is also very engaged in promoting the Canada-European Union Comprehensive Economic and Trade Agreement and in deepening Canada's ties to the Asia-Pacific region. In Ottawa and around the world, Pamela plays a leading role on the importance of women in business, politics and civil society.

SONIA SUNGER

BIOGRAPHY

Sonia Sunger is the host of Global News Morning and is proud to say that she was born and raised in beautiful British Columbia. Sonia started her career in Edmonton more than 11 years ago where she quickly worked her way up from intern, to writer, to reporter and then anchor. The natural storyteller is a stickler for facts and is passionate about informing British Columbians on topics that affect their day to day lives. The second-generation Canadian views herself as a lifelong learner with a true curiosity for the world around her, with a love of travel and a keen interest in other cultures. Sonia recently married the love of her life who shares her interest in travel and an active lifestyle.

JASON HEWLETT

BIOGRAPHY

Jason Hewlett The Entertainer has appeared at over 2,000 events and venues in the last decade as one of America's premiere corporate event headliners.

Jason has performed in every major casino in Las Vegas, appeared on the nationally televised Jerry Lewis MDA Telethon, and received the "Best of State Entertainment Award" in his home state of Utah multiple times.

He began his career with the Las Vegas "Legends in Concert" and has been a member of the National Speakers Association since 2003. His show is a combination of comedy, music, parody, and over-the-top hilarious impressions, received with standing ovations from audiences worldwide.

SANTA J. ONO

BIOGRAPHY

Professor Santa Ono is the 15th President and Vice-Chancellor of the University of British Columbia and a professor of medicine and biology.

Before coming to UBC, Professor Ono was the president of the University of Cincinnati, becoming its first Asian-American president. He has also held appointments at Emory University as the Senior Vice Provost and Deputy to the Provost.

He was recently recognized by the American Council on Education for demonstrating leadership and commitment on a national level to the advancement of racial and ethnic minorities in higher education. Inside Higher Education also named him America's most notable university president in 2015. Professor Ono works tirelessly to enhance the student experience and is a strong advocate of student health and well-being.

Professor Ono's research encompasses the immune system, eye inflammation and age-related macular degeneration — a leading cause of blindness.

MOHAMMED ALSALEH

BIOGRAPHY

Mohammed Alsaleh is a Syrian refugee. He was forced to leave Syria during his final years of medical school after surviving imprisonment and torture by the Assad regime for his involvement in the peaceful Syrian uprising.

Fleeing to neighbouring Lebanon and facing the hardships of forced displacement, Mohammed lost all hope. In 2014, with the help of Canada, hope was restored as he was offered a new life as one of the first 28 Syrian refugees to arrive and resettle in BC.

Since then, Mohammed has been building a new life in Vancouver as a refugee resettlement worker.
